Preliminary Questionnaire - Company flow:

Reply To

Welcome, and thank you for your interest in the eRural programme.

This short questionnaire is designed to provide an initial overview of your company's readiness for the advisory process and to help identify your key development needs. Your responses will allow us to understand the current situation of your company better and tailor future support accordingly.

The questionnaire has been developed within the framework of the Interreg eRural Resilience project and consists of **19 brief questions**. It takes approximately **5 minutes** to complete.

What does the assessment cover? The questions focus on four important competency areas:

- Business and Management
- Digital Competencies
- Bio-resource Valorisation / Organic Production
- Networking and Collaboration

How to complete the questionnaire? Please answer the questions as accurately and honestly as possible. There are no right or wrong answers – the goal is simply to gain a realistic understanding of your company's needs and priorities.

Main Questionnaire:

The image shows a screenshot of a 'Main questionnaire' form. The form is titled 'Main questionnaire' and has a sub-header '1. Business and management'. It contains several sections with radio button options. A red circle highlights a vertical ellipsis icon in the top right corner of the form. A red box with an arrow points to this icon, containing the text 'Copy Preliminary answers to Main'. Another red box with an arrow points to a text input field labeled 'Consultant notes and suggestions', containing the text 'Add your comments & suggestions under each topic and/or in general'. A third red box with an arrow points to a 'Suggested Materials for Improvement' section, containing the text 'Suggest additional materials from the pre-made list (https://erural.eu/erural-course/ materials will be added to report automatically, no need to add these manually)'. The form also includes a 'Submit Questionnaire' button at the bottom.
